PRESS RELEASE

Subject: Legion Road Closure To Begin Next Week

From: James Zucal, Director of Public Services

Date: May 12, 2017

Release: IMMEDIATE

Beginning Monday, May 15, the City will close Legion Road from the intersection with Richland Avenue to the Greentree Drive-Milrose Drive intersection in order to fix a slip repair.

For safety reasons, this portion of Legion Road is expected to be closed through mid-June. The work zone will shift within the general area of Legion Road as other infrastructure and related projects are completed.

The Legion Road Slip Repair project is being financed primarily with "emergency funding," which was awarded to the City by the Ohio Public Works Commission. This state funding is making possible the timely completion of the slip repair.

Access from Richland Avenue to the American Legion parking lot will be maintained for patrons and guests of the American Legion ONLY.

If you have any questions, please call 740-695-0156 between 8:30 A. M. – 4:30 P. M. on week days or the Police Department (740-695-0123) after hours and over the weekend. Thank you.
