FROM: CITY OF ST. CLAIRSVILLE
SUBJECT: Yard Waste Pickup Days Scheduled
RELEASE: FOR IMMEDIATE RELEASE

City of St. Clairsville's Utility Crews will pick up **YARD WASTE ONLY** on two days in May: Monday, May 15 and Tuesday, May 16. Yard waste includes small tree and/or shrub branches which have naturally fallen over the winter months, yard trimmings, garden waste, and leaves **ONLY**.

Residents are advised that the **YARD WASTE ONLY** must be placed near the curb but **NOT** on the sidewalk or City streets.

All bagged waste must be in **paper lawn and leaf bags** (not plastic) since these bags can be composted easily. Many local stores carry the required paper lawn and leaf bags.

Thank you.
