

PRESS RELEASE

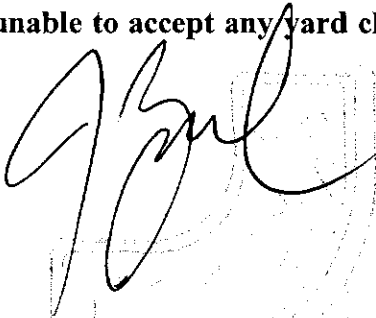

DATE: December 5, 2018
FROM: CITY OF ST. CLAIRSVILLE
SUBJECT: UPDATE on St. Clairsville's Leaf Pickup
RELEASE: **FOR IMMEDIATE RELEASE**

The City of St. Clairsville's Street Department will **conclude** its loose leaf pickup on Friday afternoon, December 7. The loose leaves must be raked within 10 feet of the curb but not placed on the streets.

The City crews will continue the collection of bagged leaves through the end of December. A reminder that all bagged leaves must be in **paper lawn and leaf bags** (not plastic) since these bags can be composted easily. Many local stores carry the required paper lawn and leaf bags. If your bagged leaves are ready to be picked up, please call 740-695-1324 or 740-695-0156. All bagged leaves should be placed near the curb but **not** on the sidewalk or street.

The City is unable to accept any yard clippings, garden waste, tree and/or shrub debris of any kind.

Thank you.
