POSITION DESCRIPTION

Employee Name:		Position Title:	Deputy Superintendent
Class Number:		Class Title:	Deputy Superintendent
Dept./Div.:	Electric/Public Service	Employment Status:	Full-time
Reports to:	Electric/Public Service Superintendent	FLSA Status; Pay:	Exempt
Normal Hours:		Civil Service Status:	Per Ordinance

GENERAL DESCRIPTION:

Under the supervision of the Electric Superintendent, the Deputy Superintendent is responsible for assisting the Electric Superintendent in the day to day operation and management of the Electric Department in a municipal government setting; conducting maintenance and installation of high voltage and secondary electric lines; utilizing electric equipment, heavy machinery, and other tools to work overhead; and performing related electrical services as required (e.g. connects transform banks; fuses transformers; installs wires and component parts; etc.). The position may also serve as Deputy Superintendent for other public service departments (e.g. the street department), assisting the department's Superintendent in day to day operations, management of the department, and other duties as assigned.

QUALIFICATIONS: An example of acceptable qualifications:

Completion of high school or equivalent and a minimum of five (5) experience working with high voltage electrical power lines and appurtenances (e.g., transformers, metering equipment, etc.); or any equivalent combination of education, experience, and training which provides the required knowledge, skills, and abilities. Field experience and/or project management experience preferred.

LICENSURE OR CERTIFICATION REQUIREMENTS:

Must possess a valid Class A commercial driver's license (CDL); CPR and First Aid certified; valid State driver's license and the ability to maintain insurability under the City's vehicle insurance policy.

EQUIPMENT OPERATED: The following are examples only and are not intended to be all inclusive:

Mobile phone, personal computer, computer software (e.g., Microsoft Office, GIS, etc.), printer, copy machine, fax machine, other standard business office equipment; bucket truck; skid steer; wire pulling equipment; trencher; backhoe; mini excavator and accessories; various hand and power tools; and climbing spikes.

INHERENTLY HAZARDOUS OR PHYSICALLY DEMANDING WORKING CONDITIONS:

Employee has exposure to: chemical compounds found in an office environment (e.g., toner, correction fluid, etc.); ascends and/or descends stairs; works in a confined space (e.g. manhole); works with electrical wiring; installation of wiring cables and other equipment which transmits electricity; including exposure to plus/minus 12,470 volts; works in the vicinity of dockboards (bridge plates); works in an area in which the means of egress is or can be obstructed; works on or around powered platforms and/or vehicle mounted platforms (e.g., manlifts, firetrucks); is exposed to environmental conditions which may result in injury from fumes, odors, dusts, mists, gases, and/or poorly ventilated work areas; is exposed to possible injury from extremely noisy conditions above 85db; is exposed to possible injury from radiation; is exposed to possible injury from hazardous gases, chemicals, flammables, or air contaminants; is exposed to possible injury from hazardous waste; is exposed to unclean or unsanitary conditions; is exposed to possible injury as a result of working with moving mechanical
